Taken up clause by clause. Clauses 1 and 2 passed, clause 3 read.

Ald. Cowan moved that the sum of $10 be inserted as the amount to be paid.

Clause 4 read. Ald. Taylor moved, and Ald. Watson seconded, that No. 1 ward be allowed another lamp. Lost.

In connection with the report, Ald. Stringer stated that there were no mains along the streets named, with the exception of Dundas street, and Mr. Duffield refused to extend them to those streets. Therefore, he only gas lamp that could be erected was n front of Park Street Church.

Ald. Gardiner said they would not lay mains themselves, but with the new burners coal oil lamps would do until the gas company could see their way to extend the mains.

After some discussion Ald. Kingston moved in amendment, and Ald. Cowan seconded, that the clause be referred back to No. 3 to report back. Carried.
